**Re: Millennium II Corporate Center
Allen, Texas**

Dear John:

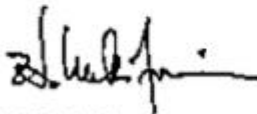

The business environment that we work in today is very competitive and customers are demanding that the product that we provide is delivered in a timely manner, at a fair price and of the highest quality. Environmental Soil has demonstrated the ability to provide outstanding service and exceed customer expectations on this Trammell Crow Project.

In recognition of the performance of Environmental Soil, the Quality Steering Committee has selected your company as the **Subcontractor of the Month**. The employees of Environmental Soil, Inc. involved on the Millennium II Corporate Center project have performed beyond expectations during the month of April 1999 which has distinguished your company as a quality orientated subcontractor. In recognition of your employee's performance, we have enclosed Trammell Crow Company QPA 2000 hard hat stickers for their use.

We greatly appreciate the participation of Environmental Soil, on this project and recognize that your company's involvement has allowed the entire Team to meet and exceed our goals.

Sincerely,

Trammell Crow Dallas/Fort Worth
